

The History of Our Front Cover

Marylou Turner, *Sigma Kappa*, was Open Meeting Chairman for the April 27, 1982 Open Meeting of the Greater Kansas City Panhellenic Association which took place at Pierson Hall at UMKC. That year, Marylou decided on a spring theme and that the centerpieces on every table would be made up of the flowers of all of the sororities. Marylou and her sister worked on several versions of a cover design that reflected the floral centerpieces. They took the designs to Hallmark artist, Cheryl Morgan, daughter of Alyce Mason, *Sigma Kappa*. Cheryl did the final design and border. This the flower arrangement contains every sorority flower of the GKC Panhellenic Association members. The covers were printed in different spring colors and every attendee at the Open Meeting received a personal copy. That year, we had fashions from the *The Clothes Closet*, and *Ranchview Floral* in Leawood. The entertainment was given by well-known local actors Dick Brown and Dodie Brown (no relation) who gave a comedy presentation called "Love."

Cheryl Morgan has since retired from Hallmark and lives in Brookside with her family.
